Empire/Dawson Road Districts.

Ladies and Gentlemen:

Empire/Dawson Road Districts, McLean County, Illinois request that McLean County in accordance with the Illinois Highway Code, 605 ILCS 5/5-501, of the Illinois Compiled Statutes as amended; construct one structure located on the North line of Sec 4, T 22 N, R 4 E on the Empire/Dawson Township Line.

That of the funds appropriated at the November 2004 meeting of the McLean County Board, Ten Thousand Dollars (10,000) be used as the County's share of the cost of the structure.

Empire/Dawson Road Districts certify that they have levied the maximum on their Road and Bridge Funds the last two years.

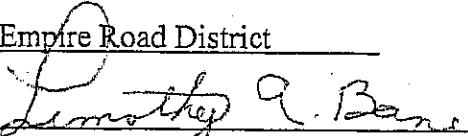

Empire/Dawson Road Districts further state that the County Engineer has made a survey of the water shed and has determined that the site of the new drainage structure shall be as mentioned above and has estimated that the cost of the new structure shall be Twenty Thousand Dollars (20,000.00) and the present structure is inadequate.
