The CASA program has been busy this month assigning new volunteers to CASA cases. Our cases have been very complicated with mental health and substance abuse issues. The CASA program has scheduled training for CASA volunteers for the entire year, as well as scheduled all educational in-services for the community and the CASA volunteers, through December 2005.

The McLean County CASA program began training on January 31, 2005, to a class of 7 volunteers. The class will be sworn in on March 16, 2005. The CASA office has 14 volunteers waiting for CASA cases, and we have asked the Judiciary for the additional cases. The Judiciary will be giving us cases as soon as they get to the Dispositional stage in the court process.

Office for Victims of Crime

February 14, 2005

Washington, D.C. 20531

McLean County Victim/Witness Service  
McLean County State's Attorney's Office  
Attn: Ms. Margie Meegan-Jordan, Director  
104 W. Front Street, Room 605  
Bloomington, IL 61701

Dear Ms. Meegan-Jordan:

The Office for Victims of Crime (OVC) is happy to inform you that your project to raise community awareness during National Crime Victims' Rights Week (NCVRW) has been selected and approved for funding. Through careful consideration of almost 240 applications, OVC selected your plan because it demonstrated high levels of collaboration on a project that promises to increase awareness in your community about victims' rights and the services available to all types of crime victims. OVC agrees to reimburse your project up to \$4,957 for the items that you outlined in your NCVRW Application for Funding.

To receive reimbursement for your approved expenses, your organization must implement your project in coordination with National Crime Victims' Rights Week (April 10-16, 2005) and submit to OVC a final report of your project's activities and outcomes, including an itemized list of financial expenditures. The format for this report will be sent to you in the next few weeks via an e-mail entitled "After-Action Report & Request for Reimbursement." OVC, through its contractor, Courtesy Associates, will send you a reimbursement check within 30 days of receiving a satisfactory final report.

Please note that OVC will reimburse projects based on the budget you submitted with the original application, the guidelines related to this funding opportunity on the OVC Web site (<http://www.ojp.usdoj.gov/ovc/fund/2005NCVRWfund/welcome.html>), and the regulations set forth in the Office of Justice Programs' Office of the Comptroller Financial Guide ([www.ojp.usdoj.gov/FinGuide](http://www.ojp.usdoj.gov/FinGuide)). Please keep the following restrictions in mind as you continue to plan for your NCVRW Community Awareness Project:

- Changes to your project and your request for reimbursement must be submitted to OVC for pre-approval by April 1, 2005. The coordinator for this project will inform you in writing whether your revised budget and reimbursement request will be honored. Adherence to this procedure will prevent any surprises or

disappointments when your project receives its OVC reimbursement for NCVRW expenses.

- OVC will not reimburse speaker or consultant fees that exceed \$450 per day for each individual.
- The cost of food and/or beverages are to be considered reasonable and associated with an educational event that is open to the public and not related to amusement and/or social events. Costs associated with an event at which alcohol is served are not allowable.
- Costs associated with organized fundraising, including financial campaigns, endowment drives, solicitation of gifts and bequests, and similar expenses incurred to raise capital or obtain contributions, cannot be reimbursed.
- Costs related to salary or organizational overhead will not be reimbursed.
- Costs related either directly or indirectly to lobbying activities are not allowable.

OVC is happy for the opportunity to support your efforts to enhance your community's understanding of the rights of and services available to all victims. For your convenience, OVC has enclosed a press release template that we hope you will use to announce OVC's support of your public awareness efforts. Also enclosed is a list of public awareness resources you may find helpful in promoting your Community Awareness Project during National Crime Victims' Rights Week and throughout the year.

The coordinator for this OVC initiative is Mary Atlas-Terry, an OVC Fellow. Please contact her via telephone at (202) 353-8473 or e-mail at [Mary.Atlas@usdoj.gov](mailto:Mary.Atlas@usdoj.gov) to verify that you have received this letter and to discuss changes you would like to make to your project strategy or request for reimbursement.

Thank you for your interest in this project and especially for your service on behalf of victims.

Sincerely,

  
John W. Gillis  
Director

## Proposal Components

1. Describe the mission of your organization and the missions of the organizations involved in the development of this NCVRW Community Awareness Project proposal. Include information related to the history and experience of the organizations in conducting community outreach and public awareness activities on victims' issues.

The mission of "Operation K.I.D. (Kid Identification Day)" is to provide a proactive and collaborative approach to stopping the violence in our community. We want to honor victims during National Victim's Rights Week by empowering citizens with information that may prevent further victimizations. The McLean County Victim/Witness Service has collaborated with the agencies listed below many times during the past 25 years. Partnerships have developed in a positive and professional manner with a common goal of providing the best possible service to our clients. Previous events the agencies have collaborated on include the McLean County Fair, National Night Out, Red Ribbon Week, Copy Your Kid, Illinois State University Safety Fair, State Farm Volunteer Day, Domestic Violence Conference, etc.

2. Describe the planned NCVRW activity and the intended use of OVC funds. Please clarify how the proposed activities target all crime victims within your community.

"Operation K.I.D." would be held on April 16, 2005, at the Eastland Mall in Bloomington, Illinois from 10:00 am to 4:00 pm. The event would provide children with the opportunity to be photographed and receive DNA Kits. These Kits would include fingerprint cards, dental charts, child safety tips, DNA collection, and preservation material. The Kit also includes a directory for emergency numbers. Service booths represented by local social service agencies would provide information and presentations regarding victim issues.

3. Describe the roles of the collaborative partners proposing the NCVRW activity and describe the financial and/or in-kind contributions from each partner. (You may include letters of support from three organizations.)

The following organizations will provide service booths and volunteers: Child Protection Network & CASA, Stepping Stones, Neville House, PATH, Parents of Murdered Children, Chestnut Health Services, MADD, Catholic Charities, American Red Cross, Community Action, East Central Illinois Area Agency on Aging, Department of Human Services, St. Joseph and Bromenn Hospitals Grief Support Groups, Bloomington and Normal Township Offices, Salvation Army, Western Avenue Community Center, City of Bloomington Housing Authority, YMCA of McLean County, Compassionate Friends Support Groups, and Illinois State Representative Dan Brady.

Community Affairs Officers from Normal and Bloomington Police Departments will give presentations on identity theft and home security. DARE Officers from local police departments will give presentations on child safety issues.

Funds would be used to purchase 1500 Safety Kidz Kits, advertise in the local newspaper the week prior to the event and advertise on a billboard 30 days prior to the event. The advertisement would include the specifics of the event and highlight recognition of National Crime Victim's Rights Week.

Please refer to attachments A, B, and C

4. Describe why financial support is needed for the proposed NCVRW project.

Due to constraints for funding many projects, neither McLean County or any of the collaborative agencies can obtain the funding required to sponsor this event. Three local radio stations and one television station have agreed to advertise the event without charge. Also, many volunteers have agreed to donate their time to support victims and inform the public regarding available services.

5. Itemize the cost of the proposed NCVRW project. Identify the cost of items for which you will be requesting OVC reimbursement.

Cost of event:	Kits: \$1.82 a piece x 1,500 = \$2806.40 (including s/h) Pantagraph ad (2' by 3'): \$300 per day x 5 days = \$1,500.00 Local TV - free Radio - free Billboard for 30 days (poster and rental): \$650.00,
Total Cost:	<b><u>Total: \$4,956.40</u></b>

# **EXTRICATION SAFETY TRAINING**

**Hosted By: Germantown Hills Fire Department**

## **AIRBAGS AND HYBRIDS**

**Saturday February 26<sup>th</sup> 9am-4pm**

**East Peoria Convention Center at the Oaks  
4200 E. Washington St. East Peoria, Illinois 61611**

As today's vehicles are being made safer for the occupants, little is being done to protect Emergency Personnel from injuries and possible fatalities at the scene of the accident. This day of training is being offered to address possible risks and provide safe handling procedures while working around Airbag equipped or Hybrid vehicles.

**9:00am-10:40am:** Airbags and Restraint Systems. How they operate, what's new, what's coming, and how to protect yourself while performing extrication procedures. Many Airbags will be demonstrated and deployed. All attendees will be given a look into the future and given the necessary steps and procedures required to be prepared for it.

**11:00am - 12:00am:** Safety procedures required to keep First Responders and Accident Victims safe at the scene will be explained in detail. Safe distancing and proper handling of an Airbag equipped vehicle will be outlined and demonstrated.

**12:00pm-1:00pm:** Lunch

**1:00pm-2:30pm:** Attendees will be walked through the "Phases-Of-Rescue" and given step by step procedures for the safe handling of airbag equipped vehicles involved in a collision. Live extrication on late model vehicles will be performed by all who attend. New procedures along with detailed information needed to avoid safety hazards and prevent possible injuries will be shown.

**BRING YOUR GEAR. YOU WILL BE CUTTING LATE MODEL CARS**

**2:30pm-3:40pm:** Alternative Fuels and Hybrid Vehicles will be discussed along with the steps required for their safe handling. A Hybrid vehicle will be on-hand to give all Emergency Personnel a first-hand view of these High-Voltage vehicles. Rescuers will be taken through the steps required to disable these vehicles and render the accident scene safe. A live demonstration of the shut-down and disabling sequence of a Hybrid vehicle will be performed.

**3:40pm - 4:00pm:** Questions and Answers

**DRIVING UNDER THE INFLUENCE UNIT**

The Driving Under the Influence (DUI) program is a specialized unit of the McLean County Court Services/Adult Division. The primary purpose of the unit is to provide services to an identifiable group of offenders who display a serious abuse of drinking and driving. Although offenders are referred to this unit due to a criminal violation, the unit's major emphasis will be on deterring further abuse of alcohol and/or intoxicants by the offender for the protection of the community.

The DUI unit standards, as established by the Administrative Office of the Illinois Courts (AOIC), permit one (1) Officer to supervise forty (40) offenders. The McLean County DUI unit currently consists of one (1) officer.

**INTENSIVE PROBATION UNIT**

The primary purpose of Intensive Probation Supervision (IPS) is to create a dispositional alternative for the Court to place select offenders into a highly structured, service oriented, community based supervision program in lieu of a commitment to the Department of Corrections.

Intensive Probation Supervision is characterized by a unit of forty (40) probationers being supervised by two (2) officers. The two (2) officers work together as a team, with each performing specific functions, thus allowing them to have almost daily contact with the probationers under their supervision. Supervision activities have a heavy emphasis on public protection through near daily surveillance and strict enforcement of court ordered conditions of probation.

## INFORMAL SUPERVISION 2004

During 2004, a total of **259** preliminary conferences were conducted. A preliminary conference is in lieu of formal court action. The minor and his/her parents attend a meeting in the court services department to discuss the police report and determine if the minor is in need of services. A total of **9** minors participated in the parental supervision program. **0** juveniles were placed on Minor Requiring Authoritative Intervention (MRAI) informal supervision. A total of **163** juveniles were placed on informal supervision programs, including basic supervision (**30**), retail theft program (**60**) and morgue program (**73**) in 2004. The department may offer informal supervision to juvenile offenders for up to three hundred and sixty-five (365) days. The department supervises the minor and if all conditions are followed, there is no court action.

The deferred prosecution program allows for certain juveniles that meet criteria to pay restitution through a mediator. The court services department does not oversee this program, but receives information that either the minor is successful or will need to be taken to court in order for the victim to receive restitution. **25** juveniles were referred to this program in 2004.
