1. **TERM** The term of this lease is three years from the date first set out above. The lease term expires on November 17, 2012, on which date the Lessee shall return the vehicles to the Lessor unless the parties hereto enter into a new or renewed lease agreement on or before that date.
2. **RENT** The Lessee agrees to pay to Lessor the sum of 0 dollars during the term of the Lease Agreement. However, in consideration of having the use of the vehicles for the term and purposes set out herein, the Lessee agrees as follows:
3. **LESSEE'S WARRANTIES** Lessee agrees and warrants that the vehicles have been delivered to Lessee in good operating condition and are free of defects and are suitable for the intended use of the Lessee. Lessee warrants that it and all persons who will operate the vehicles hold currently valid driver's licenses issued by the State of Illinois and that neither Lessee nor such other operators have been convicted of such traffic violations or have such a traffic accident record as would be cause for cancellation of the insurance required hereunder.
4. **INSURANCE** Lessee shall supply at its sole expense, and maintain in full force and effect during the term of the lease and thereafter until the vehicles have been returned to the Lessor, a policy or policies of insurance written by a company satisfactory to the Lessor, by the terms of which Lessor and Lessee, together and severally, are named as the insureds and are protected against liability and/or loss arising out of the condition, maintenance, use, or operation of the vehicles herein leased, in amounts not less than \$3,000,000 combined single limits for property damage, bodily injury, or death; \$350,000 uninsured/underinsured motorists coverage; with deductible amounts not exceeding \$1,000 comprehensive and \$1,000 collision. Such policy or policies of insurance shall provide at least ten days advance notice to Lessor in writing of cancellation or change or modification in any terms, conditions or amounts of coverage provided herein. Lessor shall be provided with a true copy or certificate of such insurance. Should Lessee fail to produce or pay the cost of maintaining in force the insurance specified herein or to provide Lessor with a copy or certificate of such insurance, Lessor may, but shall not be obligated to, procure such insurance and Lessee shall reimburse Lessor on demand for the cost thereof. Suffering lapse or cancellation of the required insurance shall be an immediate and automatic default by Lessee hereunder.
5. **INDEMNITY** Lessee agrees to indemnify and hold Lessor free and harmless from any liability, loss, cost, damage, expense, including attorney's fees, which Lessor may suffer or incur as a result of any claims which may be made by any person or persons, including but not limited to Lessee, its agents and employees, that arise out of or result from the manufacture, delivery, actual or alleged ownership, performance, use, operation, selection, leasing and/or return of the vehicles, whether such claims are based on negligence, whether of Lessor or another, breach of contract, breach of warranty, absolute liability or otherwise.
6. **TITLE** This instrument is a lease and not an installment contract. The vehicles are the sole property of the Lessor and Lessee shall insure that Lessor is named as owner on any certificate of title issued with respect to the vehicles. Lessee shall have no right, title, or interest in or to the vehicles except for the right to operate and use the vehicles for the purposes stated herein and not as the agent of Lessor, so long as Lessee is not in default under the terms of this lease.
7. **USE BY LESSEE** Lessee agrees to use the vehicles only for lawful purposes. Lessee agrees not to assign, transfer or sublet its rights or otherwise encumber its interest hereunder. In the event Lessee fails to pay any assessment, tax, lien or fine levied against the vehicles, Lessor may, at its election, make such payment and Lessee shall reimburse Lessor on demand. Lessee shall indemnify and hold Lessor harmless from any and all fines, forfeiture, damages, or penalties resulting from violations of any law, ordinance, rule, or regulation.

8. **MAINTENANCE** Lessee shall keep and maintain the vehicles in good operating condition and working order as required in the maintenance program described in the Owner's Manual and shall perform all protective maintenance required to insure full validation of the manufacturer's warranty. Such maintenance hereinbefore described shall be made at the Lessee's expense.

Lessor shall in no way be obligated to maintain, repair or service said vehicles.

10. **TERMINATION** This lease agreement may be terminated by the Lessor in the event one or more of the terms of this lease agreement is breached by the Lessee or the Lessee is in default as provided in the lease agreement. Upon the discovery of the breach or default as the case may be, the Lessee shall surrender the vehicles to the Lessor on demand. Lessee shall remain liable and responsible for any pending claims, maintenance, repairs, taxes, licenses, and any other expenses associated with Lessee's use of the vehicles.

11. **DEFAULT** In the event that the Lessee does not pay any charge, expense, or cost herein agreed to be paid by Lessee when due, or fails to obtain or maintain any insurance required by this Lease, or violates or fails to perform or otherwise breaches any undertaking or covenants contained in this Lease, or any other Lease or Lessor, or becomes insolvent or makes an assignment for the benefit of creditors, or files a voluntary petition in bankruptcy, or if any voluntary petition in bankruptcy is filed against the Lessee, or other proceeding for the appointment of a receiver for Lessee is filed, or if proceedings for reorganization, extension and/or composition with creditors under any provision or federal law be instituted by or against Lessee, or if the property of Lessee be levied upon or if Lessor should otherwise deem itself or the vehicles unsafe or unsecured or should Lessor in good faith believe that the prospect of payment of rental or other payment or other performance by Lessee is impaired, then and in any such event, the Lessee shall be deemed in default of this Lease. Upon the occurrence of any such default, Lessor may, at its option and without notice or demand, declare this agreement in default and thereupon the vehicles and all rights of Lessee therein shall be surrendered to Lessor and Lessor may take possession of the vehicles wherever found, with or without process of law, and for this purpose may enter upon any premises of Lessee or wherever the same be found, without liability therefore. The Lessor may retain all rentals and payment and resale proceeds theretofore received and other sums, if any, otherwise payable to the Lessee hereunder and the Lessor shall be entitled to recover from Lessee any unpaid charges for the balance of the lease term for the vehicles and all other sums, if any, due to come due, together with all costs and expenses, including reasonable attorney's fees, incurred by Lessor in the enforcement of its rights and remedies hereunder. The repossession and sale of the vehicles by Lessor shall not affect Lessor's right to recover from Lessee all damages which Lessor may have suffered by reason of Lessee's breach of any provision of this Lease and Lessor may sell any such vehicles with or without advertisement, at public or private sale and without notice thereof to Lessee. The rights and remedies of Lessor in the event of default herein mentioned shall not be deemed exclusive but shall be cumulative and in addition to all other rights and remedies in Lessor's favor existing by law.

12. **APPLICABLE LAW** This Lease has been executed by the Lessee and delivered to the Lessor at the Lessor's offices in Bloomington, Illinois, and it shall be governed by and interpreted under the laws of Illinois.

13. **LOCATION** The vehicles shall be principally kept or garaged where not in use at the Lessee's address as set out above or at such other address in the State of Illinois as the Lessee shall give Lessor written notice of. The vehicles shall not be removed from the State of Illinois, except for trips of short duration, without the prior written consent of Lessor.

14. **MISCELLANEOUS** This instrument constitutes the entire agreement between the parties and shall be binding upon the parties and their respective heirs, executors, administrators, successors or assigns and shall only be amended by a written instrument signed by the parties hereto. Any waiver of the performance of any of the terms, covenants or conditions hereof by either party shall not be construed as thereafter waiving any such terms, condition or covenants, but the same shall remain in full force and effect, as if no such waiver had occurred.

15. **SEVERABILITY** This agreement is severable, and the invalidity, or unenforceability, of any provision of this Agreement, or any party hereof, shall not render the remainder of this Agreement invalid or enforceable.

16. This agreement may be amended by the mutual written consent of both parties.

17. **COUNTERPARTS** This lease agreement shall be executed in multiple counterparts, each of which shall constitute a duplicate original.

**IN WITNESS WHEREOF**, the parties hereto have executed this lease on the date first above written, and the Lessee acknowledges receipt of a completely filled-in, executed counterpart.

NARRATIVE

The McLean County Health Department has been notified by the Illinois Department of Public Health that it has been awarded a grant of \$288,104 covering the period July 31, 2009 through July 30, 2010 encompassing the implementation phase of the Public Health Emergency Response to the pandemic influenza H1N1.

The Health Department estimates that approximately \$176,154 of the grant will be targeted for expense during the County Fiscal Year 2009. The spending plan includes personnel expense associated with 70-75 Health Department employees working at mass public vaccination clinics. We are currently planning on holding 11 clinics through the end of 2009 as long as we have ample supply of vaccine. The personnel expenses will include all efforts associated with setting up the clinics, managing the clinics, administering the vaccinations, patient registration, crowd and traffic control.

In addition to personnel expenses, the implementation phase of the response grant will also include costs associated with contractual costs associated with the mass vaccination clinics. Costs that will be covered are equipment rental such as tables and chairs, truck rental for transporting supplies and equipment to the clinic sites, leases for clinic sites and the payment of contractual nurses.

There are also costs included for providing food at the clinics for employees and volunteers as well as additional medical and nursing supplies that will be needed.

The proposed 5.84% Property Tax Increase for the Corporate and Special Purpose Funds is a result of the following budgetary and economic issues facing County government.

First, in the Fiscal Year 2010 Recommended Budget for McLean County's General Fund, the County's primary operating fund and the County's largest fund, the recommended property tax levy totals \$8,801,300. This is an increase of \$378,256 over the property tax amount extended this year. This increase is attributable to a projected 4.5% aggregate decline in the three major state revenue sharing categories.

Next, the Fiscal Year 2010 Recommended Budget projects no change in the Retailers' Occupational and Sales Tax revenues compared to the FY 2009 budgeted number of \$5,750,000. State Income Tax receipts are estimated to decrease by 3.9%, from \$1,925,000 to \$1,850,000. Personal Property Replacement Tax revenue is expected to decline by 19.9%, from \$1,770,150 to \$1,425,150.

Third, the single largest non-tax revenue source in the General Fund is licenses, permits, fees and fines, budgeted at \$5,695,475.00 in FY 2009. Revenue from licenses, permits, fees and fines is budgeted at \$5,581,850 in FY 2010, a decrease of 2.00%.

The overall property tax levy increase is primarily driven by increases in the tax levy for the F.I.C.A./Social Security Fund—10.54% or \$229,637, the Illinois Municipal Retirement Fund (IMRF)—23.24% or \$599,719, and the Tort Judgment Fund—5.01% or \$122,906.

RE: Proposed Position Changes in the FY 2010 Budget

The FY 2010 Budget includes the following changes to positions.

<u>Department</u>	<u>Change</u>	<u>Reason</u>
County Administrator	(0.25)	1 FT position deferred .25-Director of Admin. Services
County Auditor	(1.00)	1 FTE -- reorganization
County Treasurer	0.00	1 FT position reduced in classification
Circuit Clerk	0.20	<b>add</b> to offset state grant fund freeze
Circuit Court	2.00	<b>add</b> 2 FTE OSS II's -- case screening
State's Attorney	(1.00)	1 FTE -- Investigator
Court Services	(4.00)	4 FTE -- 1 JD Officer, 1 OSS II 2 Probation Officer I
Sheriff	(5.62)	5 FT Positions -- 1-Cook II, 3-Cook I, 1-OSS I; .62 PT hours reduced
Building & Zoning	(0.72)	1 FT OSS II replaced by seasonal/occasional at lower class
Parks & Recreation	(0.16)	1 PT Program Supervisor position eliminated
Facilities Management	(1.26)	1 FTE custodian/ 1 PT Bld Maint. Wrk
Information Technologies	0.00	1 FT position reduced in classification
Supervisor of Assessments	<u>(1.00)</u>	1 FTE -- GIS Technician
Net FTE Reduction	(12.81)	

We recommend the addition of 2.0 FTE Office Support Specialist I positions in the Circuit Court's General Fund budget to replace 2 higher classification Probation Officer I positions in the Court Services Department and the addition of .20 FTE Office Support Specialist II position to the Circuit Clerk's Office General Fund Budget to offset a State grant fund freeze. The Court Services budget also eliminates a 1.0 FTE Office Support Specialist I position and a 1.0 Juvenile Detention Officer.

The Sheriff's Office will reduce manpower by 5.62 FTE through continuation of the contractual food service agreement implemented in 2009 and the reduction of 1.62 FTE in budgeted office support personnel due to improvements in organizational structure. The State's Attorney's Office will not re-fill the 1.0 FTE Investigator position created in 2008.

The Building and Zoning Department underwent a Departmental reorganization and eliminated a 1.0 FTE Office Support Specialist II position and supplanted it with .28 FTE seasonal/occasional manpower, as a measure to reduce overall personnel costs during the current slow growth period. The Assessor's Office will eliminate a 1.0 FTE GIS Technician position due to success of the GIS project reducing redundancy and delays caused by use of outside GIS contractors.

In response to recent personnel changes in the Auditor's Office, this Department will fund the Internal Auditor position and eliminate the 1.0 FTE Finance Reporting Specialist position in 2010. The Treasurer's Office has also experienced recent turnover and reorganization of personnel and has reduced a position in classification, based upon current employment market conditions. Information Technologies also reduced a 1.0 FTE position in grade, responding to market conditions and an organizational needs assessment.

The County Administrator's Office has deferred .25 FTE in the Director of Administrative Services position due to anticipated reduced employment activity over the first quarter of 2010. This will also provide an opportunity to better assess the economic conditions and project needs for the remainder of the year.

Facilities Management will reduce its total FTE by 1.26 in 2010 by reorganizing the janitorial division structure and modifying responsibilities. Parks and Recreation will eliminate a .16 FTE seasonal position by prioritizing service times and locations.

In summary, we are recommending 15.01 FTE reductions and 2.20 new positions to supplant those reductions. Funds are included in the recommended departmental budgets. A complete Proposed FY 2010 Position Classification and Pay Range listing is attached for your information.
